Edwards
MBA Program
TOGETHER
Our Master of Business Administration (MBA) program helps professionals from all backgrounds who are seeking to advance or change their careers. We do this by offering a learning environment based on practical experience and essential management skills.

No business degree? No problem!
Many of our students have bachelor degrees from non-business disciplines but want to learn the business skills they will need to succeed in their industries.

Full or part-time options

The Edwards MBA is offered in both full-time and part-time options. If you are looking to fast track your MBA, you can complete the full-time program in only 12 months! Alternatively, the two and three year program options are the perfect solution for those students who are working. While some flexibility is required from your employer, the two and three year programs can be effectively integrated into your career goals.
What will I Study?

Dual Options

Gain your MBA while working towards the following University of Saskatchewan (U of S) programs: Doctor of Medicine (MD), Doctor of Veterinary Medicine (DVM), or Juris Doctor (JD).

MD/MBA
This program is designed to create effective managers and teach leadership roles in the medical profession. Students who elect to complete the MD/MBA will defer their admission to the MD program by one year to complete their full-time MBA.

DVM/MBA
The DVM/MBA program is a five year program. Students will follow the one year MBA schedule and insert MBA courses between the third and fourth year of the DVM program.

JD/MBA
This three year dual degree program allows students to complete their law degree and their MBA simultaneously.

Internship

The Edwards MBA Internship Program (EMIP) is an eight month work experience program taken in January of the first year of a two year program of study.

Designed for students with little or no work experience, EMIP is a value-added component of the Edwards MBA Program. Work placements provide additional opportunities for learning and mentoring and are designed to provide new MBA students with much needed business experience while applying academic knowledge to the workplace.

Program Highlights

**MBA 992 - Venture Management**
Take part in experiential learning through the MBA Venture Management course. Designed to assist students in developing and understanding the skills and tools required in preparing and presenting a complete and professional business plan for a business entity. All aspects of the business plan are discussed and integrated, including operations, human resources, marketing and finance.

**MBA 885 - Essential Management Skills Retreat**
Participate in a one week intensive experiential management skills retreat in beautiful Northern Saskatchewan. This course will provide MBA students with skills to enhance self-understanding; improve interpersonal effectiveness and successfully manage in complex environments. Students will explore their personal management style and improve their communication skills; gain valuable insights into how to manage difficult people; conduct interest-based negotiations; and help their subordinates achieve improved levels of performance. We will also highlight the role of personal wellness as a critical aspect of management performance.

**MBA 889 - Integrative Modules**
Edwards MBA students complete three modules that focus on the integration of curricula from a suite of courses. The integrative modules use a case method approach, including instruction, discussion, analysis, presentation, and writing. Scheduled three times during the program, these modules provide opportunities to integrate and apply knowledge gained in functional areas. The first module is a building block within the program utilizing concepts learned to that point, leading to the final module which integrates the entire Edwards MBA curriculum.
