Note: Registration will be first come, first served on PAWS until all seats are filled (for Term 1 and 2). The release of seat reservations is a manual process that could take up to 1 hour to complete. Please keep checking the Registration Channel in PAWS for availability.

\***COMM 121.3: Business Mathematics** will not be released to the university community as this class is ONLY for current Edwards students.

## Release of 300 and 400 level COMM Classes for Edwards Students

Edwards will release remaining seats in *most* 300 and 400 level COMM classes to all **Edwards** students including seats reserved for other colleges. We do not release 300 and 400 level seats to the university community (except for COMM 304.3).

### We will not release seats in:

- COMM 308.3: Cost Management Systems
- COMM 401.3: Business Policy
- COMM 447.3: Entrepreneurship & Venture Development

Students entering their fourth/graduating year who did not receive permission for COMM 401.3 or COMM 447.3 during program planning in January can see an advisor to discuss permission for these classes as of July 7th (open seats only). If there are no seats available, refer to the override policy.

## Override Policy In Edwards

Edwards Student & Faculty Services Office has a policy of **zero overrides** in COMM classes.

If you are entering your graduating year and require a particular class to graduate, we will consider you for a Term 1 class override starting on **August 16, 2023** after 8:30 am.

We will consider graduating students for a Term 2 class override starting on **Tuesday, January 2nd, 2024** after 8:30 am.

**No override requests for Fall/Winter classes will be considered over the summer.**
