

TRANSFER CREDIT AGREEMENT

Marketing Specialty (Years 1 & 2)

About the Agreement

In 2016, the Edwards School of Business at the University of Saskatchewan and the Saskatchewan Polytechnic (SaskPoly) signed a transfer agreement that will enable more Saskatchewan students to attain university business degrees. This agreement applies to applicants who started their program of studies in 2017 or later.

Graduates of SaskPoly's one-year Business Certificate program or two-year Business Diploma program will qualify to transfer either one or two years towards the four-year Bachelor of Commerce degree offered through the Edwards School of Business. Courses which students were granted transfer credit into Sask Polytech programs would not be considered for transfer credit through this agreement.

Edwards will allow students to transfer up to 60 credit units (out of 120) of transferable courses from another institution.

All applicants to Edwards will follow the USask transfer student admissions process. The annual admission deadline is **May 1**. All applicants must ensure that original transcripts

are sent directly from SaskPoly to the USask Transfer Credit Office. To be eligible for transfer, applicants must meet the transfer average in effect in the year they apply to the USask.
